Re:     •   **Docket 2018-320-E**  
          •   Request of the South Carolina Solar Business Alliance, Inc. (“SCSBA”)

Ms. Boyd:

Please reference the Commission’s Directive Order Number 2019-821, issued on December 4, 2019, in the above-referenced Docket. As for the Commission’s request in that Directive Order, “...that the parties provide their positions on a proposed procedural schedule that allows interested parties to participate.”, please see the following.

SCSBA has been in productive discussions with counsel for Duke Energy Carolinas, LLC and Duke Energy Progress, LLC, about potential additional changes to the Companies’ GSA proposals. Given this progress towards a potential consensus position between the parties, SCSBA requests that the Commission delay establishment of a procedural schedule and allow the parties until February 1, 2020, to report back to the Commission with an update on these collaborative efforts and recommendations for setting a procedural schedule.

We appreciate the Commission’s consideration of SCSBA’s request, which is,  
Respectfully submitted this 18<sup>th</sup> day of December, 2019.

Respectfully Submitted,
